

FOR IMMEDIATE RELEASE

CARRINGTON MEDIA AND WAGTAIL PRODUCTIONS ANNOUNCE NEW BUSINESS PARTNERSHIP

Brisbane, Australia - April 4, 2023 - Carrington Media and Wagtail Productions are excited to announce a new business partnership called SeeView Productions, to bring high-quality scripted content to Australian and international audiences. The partnership is led by industry veterans Michael Carrington and Angela Faria, who bring a wealth of experience and expertise to the business.

Michael Carrington is a highly respected media executive who has previously served as a Director of Content at the ABC. Angela Faria is an accomplished producer who has worked on numerous TV and film projects, including feature documentary "Sheer Will".

Their first joint project at SeeView Productions will be a contemporary black comedy titled "A Gift and a Curse". The six-part series, each episode running one hour, promises to deliver a fresh and entertaining viewing experience for audiences. The series explores various aspects of mental health, particularly through the lens of young adult experiences, with a mix of humour, drama, and relatable characters and storylines.

Created by Angela Faria and Craig Proudley, the program bible and pilot script for "A Gift and A Curse" are ready, and SeeView Productions is excited to take the project to market.

Speaking about the new partnership, Michael Carrington said, "I'm thrilled to be partnering with Angela Faria and Craig Proudley on our first project. We share a passion for delivering compelling content that resonates with audiences, and I believe that this partnership will allow us to achieve that goal."

Angela Faria added, "Working with Michael Carrington is a fantastic opportunity, and together with my co-creator Craig Proudley, we're looking forward to bringing our combined expertise and vision to life in "A Gift and a Curse". Our goal is to create something truly unique that will captivate audiences."

The partnership between Carrington Media and Wagtail Productions promises to deliver high-quality, engaging content that will leave audiences wanting more. Stay tuned for updates on this exciting new project.
